## **SUBJECT: SPREADSHEETS IN ELECTRONIC FORMAT**

### **Legislative Budget & Audit Committee Request**

The Legislative Budget & Audit Committee has contracted with several individuals and firms to be responsive to applications submitted to the State for a gas pipeline. At present we have, Econ One Research, Inc., Dr. John A. Neri of Benjamin Schlesinger, Inc., Dan E. Dickinson, CPA, and Steven B. Porter.

We have asked all of our consultants to review your proposal and they all have the same request.

*Please provide your spreadsheets in electronic format with the formulas intact with a list or schedule of inputs.*

### **TransCanada Response**

TransCanada respectfully declines to provide the spreadsheets as you have requested. TransCanada's financial models are proprietary and are not shared with third parties.

TransCanada did include a hardcopy of the Project inputs and outputs in its AGIA Application and in its responses to the Administration requests for clarifications.
