

LEGISLATIVE BUDGET & AUDIT COMMITTEE

REPRESENTATIVE RALPH SAMUELS, CHAIRMAN

April 11, 2008

Governor Sarah Palin
PO Box 110001
Juneau, Alaska 99811-0001

Dear Governor Palin:

The Legislature looks forward to receiving the Administration's final determinations and recommendations on the TransCanada AGIA application. We encourage you to ensure that full disclosure occurs when the Administration releases its findings. This would include reports, presentations, recommendations, and other materials that aided the Administration in reaching your final determinations. This would include information that both supports and does not support the TransCanada application.

Thank you very much for your consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ralph Samuels".
