II. The servicing agency (seller) agrees to provide the requesting agency (buyer) with the following service(s):  
(Answer who, what, where, when, why and how cost estimates are derived. Use attachment if necessary.)

Scope of research support under this contract, ACEP would provide independent, expert analysis on energy-related topics in three tiers, based on scope, complexity, and turnaround time:

- 1. Quick Response Analysis**
  - o Rapid, high-level analysis using existing data and prior research to provide preliminary analysis into energy-related inquiries. This work is designed to support immediate legislative discussions.
  - o Deliverables: Short written memo and verbal consultations to support real-time legislative discussions.
  - o Turnaround Time: 1-2 business days.
- 2. Reality Check and Policy Implications Analysis**
  - o Focused studies on more bounded topics leveraging ACEP's in-house expertise. This category includes deeper reviews of existing studies, comparative analysis of policy options, assessment of best practices from other jurisdictions, and analysis of policy implications.
  - o Deliverables: Written briefing papers, slide presentations, and expert testimony.
  - o Turnaround Time: 1 week to 1 month.
- 3. Comprehensive Research and Modeling Executive Session - Confidential**
  - o In-depth studies for specialized, long-term, or complex energy-related policy questions. This category involves detailed research, new data collection, original modeling, and expert analysis.
  - o Deliverables: Full research reports, executive summaries, presentations, and expert testimony.
  - o Turnaround Time: 1-6 months or longer, depending on project scope.
